Assistant to the Director
Central Intelligence Agency
Washington, DC 20505

To Whom It May Concern:

We are currently preparing a master telephone list listing spokesmen and women for important government agencies.

We would very much appreciate from you a list or directory of those persons within the CIA designated as media representatives, and their telephone numbers in Washington D.C. or in Virginia.

Night or 24-hour numbers for emergency queries would also be deeply appreciated.

Thank you.

Sincerely,

Gregory A. Gross
